The International Leadership Charter High School Staff, Faculty, Students and Board of Trustees Congratulates Dr. Elaine Ruiz Lopez for the outstanding work she has done to close the Achievement GAP. To be chosen as an Honoree for the Education Update as an "Outstanding Educator of the Year 2013" is a well deserved recognition that demonstrates that Dr. Ruiz Lopez' dream of developing an academically rigorous college preparatory high school in the community has become a reality. This honor comes on the heels of our charter school being named on the U.S. World News Report "Best 2013" High School list and being ranked #7 of all NYC Public High Schools. It is an honor to be a member of the school community that Dr. Ruiz Lopez has developed!
